

Deer Valley Unified School District No. 97

Dear Parent/Guardians,

We have purchased Sunset Ridge Physical Education uniform for your child to dress out during P.E. It is highly recommended to have these uniforms purchased for your child. This will make all the students look sharp in the gymnasium, outside on the field, and the younger students see what their older models look like. I have taught at the high school level for eight years where my students had P.E. uniform and this really makes us stand out from the other classes and helps the other teachers know which students are in gym or which student should be in their academic classes. We encourage buying these uniforms for your child due to these reasons as well as they will be able to keep them as they leave this school. I have many of my past students use them for regular wear after they have left the school.

The cost of T-shirt and shorts will be \$25.00. The orders will be in adult sizes. It will be first come, first serve. We have only ordered limited numbers for each size.

Please return the bottom portion as soon as possible in regards to the purchase of the uniform. Please indicate which sizes you will want your child to get. We will do our very best to accommodate to your order depending on when your child has turned in the order. Thank you and we are looking forward to seeing our physical education department look sharp. Please make checks payable to Sunset Ridge Elementary with your order form below.

Sincerely,

Jacob Giger
